*safe-cation*

# safe-cation

Where can we go to live, break free?  
The country, coast, hill or sea?

A cocoon from which we can all emerge  
To find new life, far from this scourge

A place away, we can call our own,  
Our bubble, our safe, our protected zone

Where we discover adventures galore  
And together learn to live once more

Our home from home, our precious space  
A self-contained and private place

We now control our destination  
On our perfect safe-cation

Modern stylish colour scheme

# Kon-Tiki Sport features

Kon-Tiki Sport's high-specification interior is designed for relaxing travels, from the superbly equipped cab to the premium living space and energy efficient fixtures. Up front, the captain's chairs and air conditioning deliver outstanding comfort, while a range of sleeping and seating configurations provide excellent flexibility.

- 1 'Darwin' soft furnishings with contrasting woven and velvety textures, plus a sumptuous leather option.
- 2 Multi-height adjustable drop-down beds.
- 3 Handy underfloor pannier locker.
- 4 Luxurious kitchen with scratch resistant Fenix NTM® worktops, Dometic 133l fridge and Thetford thermostatic oven, grill, three burner gas hob and electric hotplate.
- 5 A minimum of four 230V chrome sockets and dedicated USB points.
- 6 Ergonomically shaped rear travelling seats with safety frame supports.

**1** Lightweight Duvalay Duvalite™ mattresses to fixed and drop-down beds for a great night's sleep.

**2** Seitz flush fitting, double glazed, tinted acrylic windows with night latch ventilation.

**3** 'Oyster Grey' curved upper locker doors plus LED ambient lighting for stylish storage.

**4** Control and monitor onboard systems with the 7" LCD Swift Command touchscreen panel.

**5** Alde dual fuel radiator central heating and water heating with LCD control panel.

**6** Enhanced ultra-low energy lighting, including dimmable LED lighting and over and under locker ambient lighting.

10

- 1** Full washroom including a fully lined separate shower cubicle with powerful Ecocamel Orbit shower head, which uses less water.
- 2** Generous storage via vanity cupboard with built-in wash basin plus overhead storage locker.
- 3** Bronze dashboard design with high level radio/MP3 player, DAB, Bluetooth and more.

- 4** Large panoramic opening 'Skyview' sunroof\* to flood the interior with natural light.
- 5** Recessed full-length roll-out Thule 4900 awning for enjoying outside space.
- 6** SMART construction with a timberless bodyshell and durable GRP outer skin.

\*Motorised in 596.

8

**1** New external 230V socket, BBQ point and cold water shower point.

**2** Bike rack fixing rails fitted to the rear, so you're ready for any adventure.

**3** 100W solar panel for off-grid adventures.

**4** New Euro 6D 140bhp 2.3l engine with manual gearbox, ESC and Eco pack as standard.

**5** Twin lens reversing camera with 7" LCD screen rear view mirror plus new reversing sensors.

**6** Ample LED exterior lighting, including high-level brake light and exterior awning light.

**7** Provision for two 13kg gas bottles with fitted butane/propane regulator and propane hose.

**8** Heavy duty rear chassis members ready for optional towbar, enabling flexible usage.

# SMART CONSTRUCTION

**SMART is the basis of our intelligent construction system used across our entire motorhome range. Strong, Modern, Aerodynamic, Resilient and Tested, you can be assured your Swift motorhome is a high quality, engineered product.**

## STRONG

The Strong timberless body frame uses 'PURE', a tough, hard polyurethane based product that is totally impervious to water and has been proven through use.

## MODERN

The SMART construction system uses Modern materials and has been developed to ensure the exterior profiles maintain the Modern, desirable looks our motorhomes are renowned for.

## AERODYNAMIC

We continue to lead the way in Aerodynamics, using Computational Fluid Dynamics to help shape the bodyshell for better fuel consumption.

## RESILIENT

All fixings are made into the 'PURE' material to a pre-defined depth. 'PURE' is totally impervious to water and has no veins. This means there is no passage for water from the outer skin, making the motorhome highly Resilient to moisture.

## TESTED

Extensive safety and durability Testing at the Millbrook track, and cold chamber Testing down to minus 15°C and beyond, puts prototypes through conditions most products will never have to experience in a lifetime; all part of the Swift ethos to deliver the best products.

## HAIL RESISTANT GRP ROOF

Woven GRP outer surface provides greater durability from the elements.

## GRP SIDEWALLS

Balanced panel side walls with GRP outer and inner skins. GRP is more impact resistant than aluminium and can be easily repaired, ensuring long lasting good looks and helping protect your investment for the future.

'SMART' GRP sidewall during the production process.

## FLOOR CONSTRUCTION

'Sandwich' floor construction with ply upper, high rigidity Styrofoam core and GRP outer skin to provide greater durability from the elements.

## EXTERIOR

### CHASSIS CAB

- Black metallic Fiat chassis cab and Black Edition graphics
- Front bumper finished in body colour
- LED daytime running lights
- NEW Euro 6D 140bhp, 2.3 litre engine with manual gearbox, ESC and Eco pack as standard
  - o ECO Pack: stop/start system, smart alternator and more efficient energy saving fuel pump
  - o ESC: anti-slip regulation (ASR), roll over mitigation (ROM) and hill holder
  - o 90L fuel tank and AD-blue based after treatment system with 19L tank
- Dashboard design with fully integrated factory fit DAB radio/MP3 player with Bluetooth, switch-off timing adjustable up to 3 hours and wing mirror antenna for better reception
- Bronze dashboard trims
- Cab air-conditioning
- Cruise control
- Steering wheel controls including volume control and phone compatibility
- Driver and passenger airbags
- Concertina windscreen blind and side window blinds
- Cab carpet (removable)
- Captain chairs with twin armrests and integrated headrest
- Driver and passenger seats with:
  - o Swivel (except 596)
  - o Position, height and rake adjustment (no height adjustment on passenger seat in 596)
  - o Two armrests
  - o Fully upholstered covers
  - o Seat base surrounds
- ABS brakes
- EBD (electronic brake force distribution)
- Immobiliser with rolling code
- Variable power steering
- Key fob operated remote central locking of cab doors and entrance door
- Electrically operated and tinted cab windows
- Electrically adjusted and heated wing mirrors fitted with direction indicators
- Headlamp height adjustment
- Adjustable steering wheel position
- Door pockets with bottle holders
- Central cup holder with dash mounted slot for full width tablet and pocket for smartphone with USB port for charging and 12V socket

### BODY AND EXTERIOR EQUIPMENT

- European Whole Vehicle Type Approval ensures compliance with strict weight, dimensions and safety regulations
- VIN CHIP™ identification system concealed within construction to deter theft and aid quick recovery
- Distinctive streamlined low profile
- SMART Plus construction:
  - o Strong, moisture proof 'PURE' Polyurethane timberless framed body shell with HD polystyrene insulation core
  - o Balanced panel 31 mm sandwich side walls with GRP outer and inner skin
  - o 'Sandwich' floor construction with GRP outer skin, ply upper and high rigidity Styrofoam core (70mm in 560; 44mm in 574, 584, 596, 597 & 599)
  - o 31 mm 'sandwich' construction hail resistant exterior GRP roof, fully bonded for extra strength and flatness, and GRP inner skin
  - o Full height GRP rear panel
- On integrated models with curved roof line (596)
  - o 32mm 'sandwich' front roof with HD polystyrene insulation core, interior polypropylene honeycomb board and GRP exterior (integrated models only)
- Five low-line models with a sleek low-line profile and smart moulded fascia for the sunroof with side pockets
- Large panoramic opening 'Skyview' sunroof (motorised in 596)
- AL-KO low-line AMC long wheel base chassis (574, 584, 596, 597 & 599)
- Striking graphics scheme coordinated with cab

- White extruded skirts link with full GRP rear panel
- Pull out under-floor pannier locker for water hose and electric cable reels (not included)
- Large service doors (596, 597 & 599)
- Exterior access doors for easier storage under seats/bed (560, 574 & 584)
- Seitz high specification entrance door with secure 2-point locking, window, integral flyscreen, door retainer, bin and stepwell light
- Single key for all habitation doors
- Seitz flush fitting, double glazed, tinted acrylic windows with night latch ventilation
- Stylish 16" alloy wheels
- Exclusive styled LED front marker lights
- LED side marker lights
- Exclusive LED rear light clusters
- Low energy LED exterior awning light
- A twin lens reversing camera with 7" LCD screen rear view mirror\*
- NEW reversing sensors
- High-level brake light
- Provision for 2 x 13kg gas bottles with fitted butane/propane regulator and propane hose
- Spare wheel on under slung carrier (stored in rear bed storage on 597 & 599)
- Fix and Go puncture repair kit on 596
- Recessed full length roll-out Thule 4900 awning
- Heavy duty rear chassis members ready for optional towbar
- NEW 230V socket
- NEW BBQ point
- NEW cold water shower point
- Bike rack fixing rails fitted to the rear

### LIVING AREA

- 'Darwin' soft furnishing scheme with scatter cushions and bolsters
- 'Aralie Sen' woodgrain with contemporary colouring and 'Oyster Grey' curved upper locker doors with stylish colour inlay
- Soft fabric wrapped edged furniture moulds for seating
- Shoe locker (560, 574, 584, 597 & 599)
- Chrome handles with push-button locks on overhead locker doors
- Injection moulded 'Spaceframe' locker construction
- Ergonomically shaped rear travelling seats with safety frame supports (560, 574, 584, 596, 597 & 599)
- Sculpted seat cushions for improved comfort and durability
- Lap and diagonal seat belts on all designated passenger seats
- Exclusive Duvalay Duvalite Apollo Luxe mattress containing Freshtec – a market leading high spec foam offering maximum airflow for a cool, comfortable good night's sleep (fixed and drop down beds)
- Bed mattresses and lounge bench seat cushions supported by beech slats for extra comfort
- Multi-height adjustable drop down beds with low drop level to seats (596)
- Locker storage under drop down bed (596)
- Wardrobe lighting
- Lounge seat and bed tops with gas spring hinge supports for easy access
- Seat backrest ventilation boards
- Wall mounted table or freestanding table with dedicated storage location (model dependent)
- Travel lock for TV brackets where applicable
- Black branded speakers
- Pleated cassette blinds with flyscreens on all windows
- Concertina action door flyscreen
- Chrome entrance doorway grab-handle with LED lights (not lit on 596)
- Midi-Heki rooflight with flyscreen and adjustable blind (except 560)
- Rooflight with flyscreen and blind in front lounge
- Sectioned removable carpets for flexibility
- French Oak effect, high impact, scratch resistant floor lino
- Removable stepwell mat
- Smoke alarm
- Carbon monoxide alarm

## • KITCHEN

- Tall slimline dual hinged Dometic series 10 133 litre electronic ignition fridge incorporating 12 litre removable freezer compartment
- Thetford thermostatic oven with electronic ignition, dual fuel hob with glass lid safety cut-out feature, 1x 800W electric hotplate and 3 gas burners with electronic ignition, and separate grill
- Built-in microwave oven with digital controls
- Omnivent, three speed, two way roof fan
- Innovative Fenix NTM® kitchen worktops (resistant to scratches, enhanced antibacterial properties and easy to clean)
- Fold down worktop extension (596)
- Stainless steel kitchen sink
- Removable drainer and food grade nylon chopping board nestle together for easy storage in dedicated location
- Vector chrome effect kitchen mixer tap
- Acrylic splashback with LED lighting

## WASHROOM

- Fully lined separate shower cubicle
- Ecocamel Orbit shower head with on/off button for a powerful shower that uses less water
- 32mm thick entrance door with decorative inlay, domestic style mortice lock and handle
- Two way locking door for added privacy (597 & 599)
- Vanity cupboard with built-in washbasin and white panelling
- Vector chrome effect vanity mixer tap
- Bathroom mirror with lighting
- Overhead storage locker
- Thetford C260 cassette toilet with electric flush and 18 litre wheeled tank
- Washroom radiator (domestic style towel radiator on 574 & 584)
- Micro-Heki skylight with flyscreen
- Mini LED downlights

## HEATING AND PLUMBING

- Grade 3 classification (EN 1646-1) for heating and thermal insulation (for sub-zero ambient temperatures)
- Alde dual fuel radiator central heating and water heating with daily programming, LCD control panel with 1kW, 2kW or 3kW settings
- Alde circulation pump with 5 speed settings
- Truma 'Crash Sensor Mono' regulator for en-route use of heating and water heating
- 90 litre underfloor insulated fresh water tank with level sensor
- 68 litre waste water tank with level sensor
- Winter Pack fitted as standard with fresh and waste water tank heaters, waste pipe insulation, fridge vent covers and electronic drain valves with insulated covers
- En-route heating for underfloor water tanks to keep defrosted
- Pressurised fresh water system with self-priming pump and accumulator
- 12V exterior power point for pump filling of water tank (pump not supplied)

## ELECTRICAL

- Exclusive Swift Command control system with large 7" LCD colour touchscreen panel with improved user interface and functionality featuring:
  - o Simple controls for monitoring and managing:
    - Power
      - o Battery selection, battery level meter and power usage
      - o 230V AC load limiter (settable between 5 amps & 16 amps)
      - o Solar panel charging levels
    - Heating control of Alde system
    - Environment monitoring with internal and external temperature and internal humidity levels
    - Selected lighting control
    - Water system controls and tank levels and control of tank drain valves
    - Air-conditioning compatible with Dometic and Truma (dealer fit option, model dependent)
    - Fridge control via CI-BUS connection

- o Pre-installed Swift Command Tracker, a Thatcham Category S7 approved proactive tracker (subject to annual description)
- o Swift Command App with interface that is easy to use and more intuitive, enabling you to manage and monitor key vehicle functions from your mobile device including power, heating and selected lighting:
  - Incorporates a simpler connectivity selection:
    - o Bluetooth connectivity when with the vehicle
    - o Wi-Fi / GSM connectivity when away from the vehicle (subject to network coverage)
  - Includes the useful 'Places of Interest' feature including 'Campsites' from the Camping & Caravanning Club and Swift dealership locations
- Fully sealed, long life, 100 Amp-hour (Dir 2006/66/EC) leisure battery
- Minimum of 4 x 230V chrome sockets and dedicated USB points
- 12V socket for rear passenger seats (model specific)
- Mains 230V supply via easy-access consumer unit to sockets, fridge, microwave oven, heater, water heater and battery charger/transformer
- TV station(s) with flat screen bracket 230V, 12V supply and co-ax link to outside connector
- 25 Amp/300W charger/transformer for leisure batteries
- Enhanced ultra-low energy lighting system:
  - o Dimmable LED spotlights
  - o Over-locker and under-locker LED ambient lighting
  - o Low-level night lights (operable when travelling)
  - o Illuminated grab handles in entrance (model specific)
  - o LED swan neck reading lights in cab
- 100W solar panel
- Status 570 TV aerial
- Power supply for satellite dish installation
- 25 metre mains hook-up cable

## CUSTOMER SERVICE

- Exclusive online Connect Direct account with direct access to Swift

## OPTIONS

### Factory Fit

- Upgrade to 160bhp 2.3 litre engine with manual gearbox, ESC and Eco Pack
- Upgrade to 160bhp, 2.3 litre engine with 9 speed full automatic transmission, ESC and Eco Pack
- Upgrade to 140bhp, 2.3 litre engine with 9 speed full automatic transmission, ESC and Eco Pack
- 'Swift Shield' stain resistant, easy-clean fabric
- 'Shelly' full leather soft furnishing scheme
- Roof rack and ladder
- Detachable homologated towbar and electrics
- Lounge layout options available for 560, 574, 584, 597 & 599

### Dealer Fit

- Annual subscription to Swift Command Tracker by Sargent
- Roof mounted air conditioning unit
- Thule rail mounted rear cycle rack\*

\* Dependent on model, visibility through rear camera may be reduced when bicycles are carried on the optional bike carrier

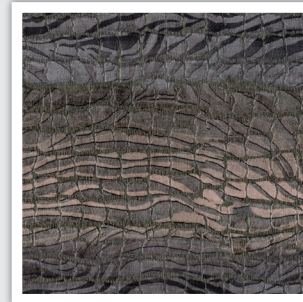

# FABRIC OPTIONS

Within the Kon-Tiki Sport range there are two fabric options available; the 'Darwin' scheme that comes as standard and the optional leather and 'SwiftShield' schemes (see below). Please ask your dealer for full details.

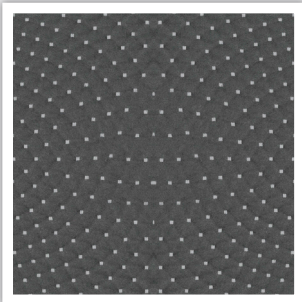

## SEATING

## CUSHION

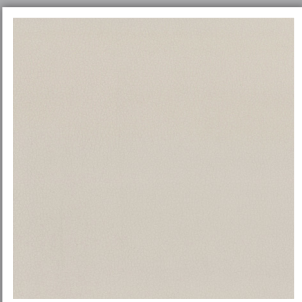

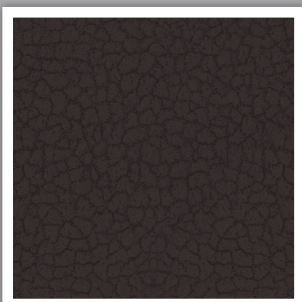

## CURTAIN / WALLBOARD

## LEATHER - OPTIONAL

## SEATING - SWIFTSHIELD

## WHAT IS SWIFTSHIELD?

SwiftShield fabric has a soft suede type feel and has been treated during manufacturing to resist stains. It is very easy to clean and just requires a soft cloth dampened with water to remove most stains. SwiftShield is exclusive to Swift Group, you can find out more on Swift TV.

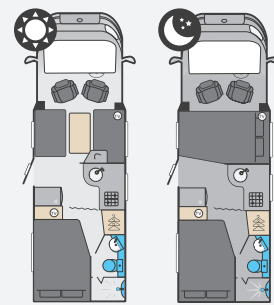

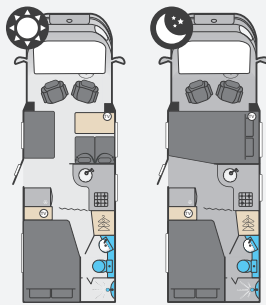

[swifttv.co.uk](http://swifttv.co.uk)

## GENERAL TECHNICAL NOTES

1. The Maximum User Payload includes:

- a) The conventional load (this is the allowance for passengers)
- b) Essential habitation equipment (items and fluids required for safe and proper functioning of habitation equipment)
- c) Optional equipment (items available from the manufacturer over and above the standard specification)
- d) Personal effects (those items not covered by the above)

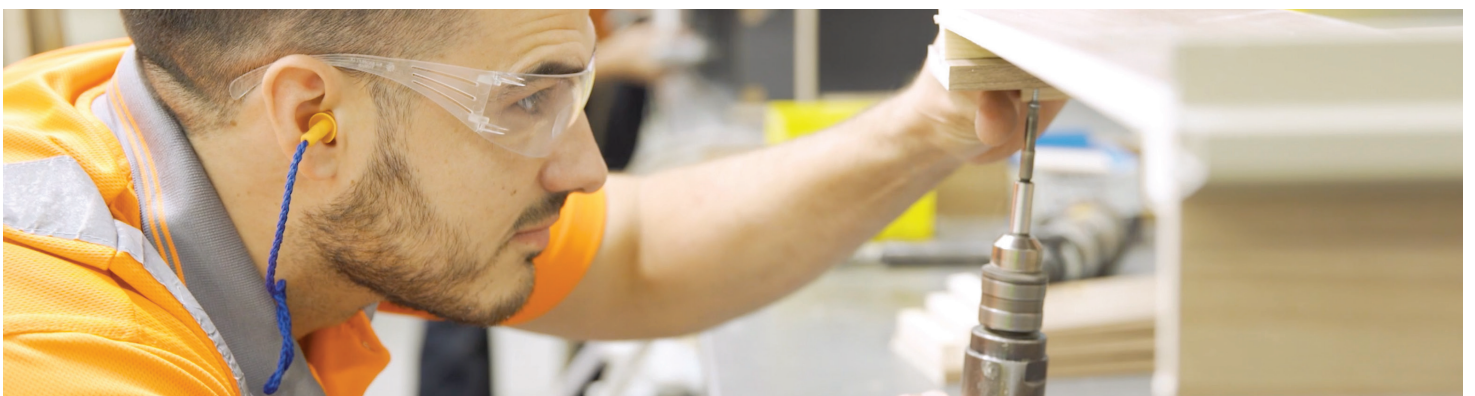

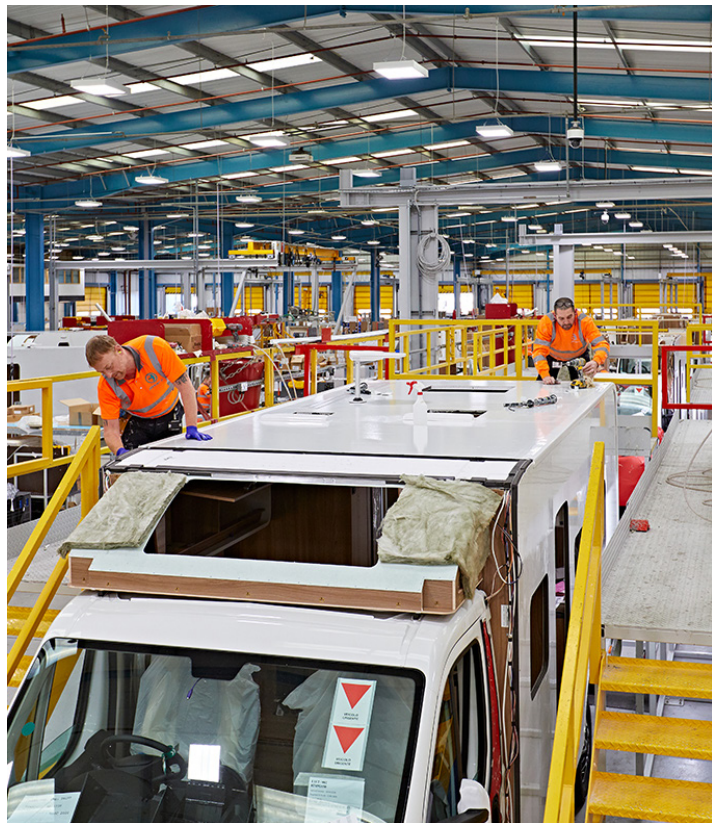

2. The Mass in Running Order is the mass of the unladen vehicle including a 75kg allowance for the driver plus engine coolants and 90% of the fuel tank capacity and 1 x 6kg Calor Lite LPG cylinder. The MRO is calculated with the fresh water tank empty. If you travel with water in the fresh water tank then the payload will reduce accordingly.

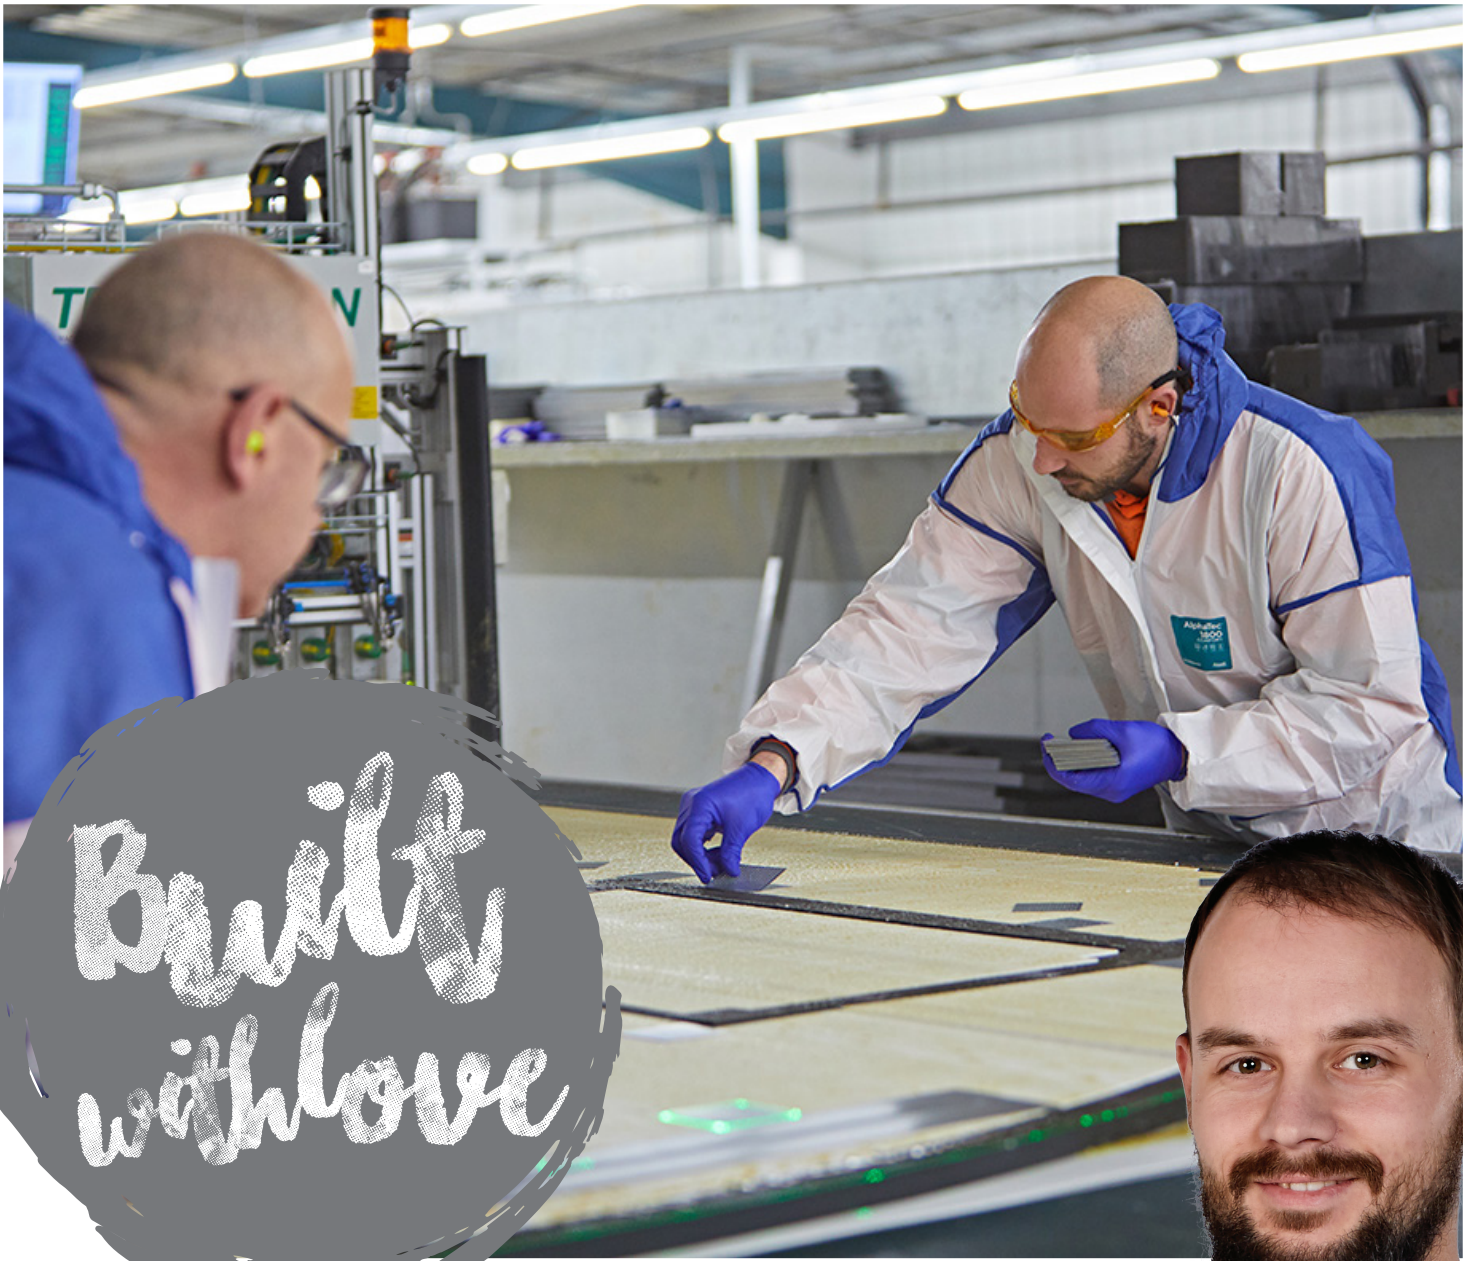

3. Please take care to ensure that you have allowed for the masses of all items you intend to carry in the motorhome, e.g. passengers, optional equipment, essential habitation equipment and personal effects, such as clothing, food, pets, bicycles, sailboards, sports equipment etc.

4. Warning - under no circumstances should the maximum technical permissible laden mass of this motorhome be exceeded.

‡ The maximum trailer weight is limited by the gross train weight which must not be exceeded. For example if a vehicle with a gross train weight of 6000kg is loaded to the maximum MTPLM of 4250kg, then the maximum trailer weight possible is 1750kg. Reducing the weight of the vehicle by removing payload, will allow you to increase the trailer weight up to a maximum of 2000kg.

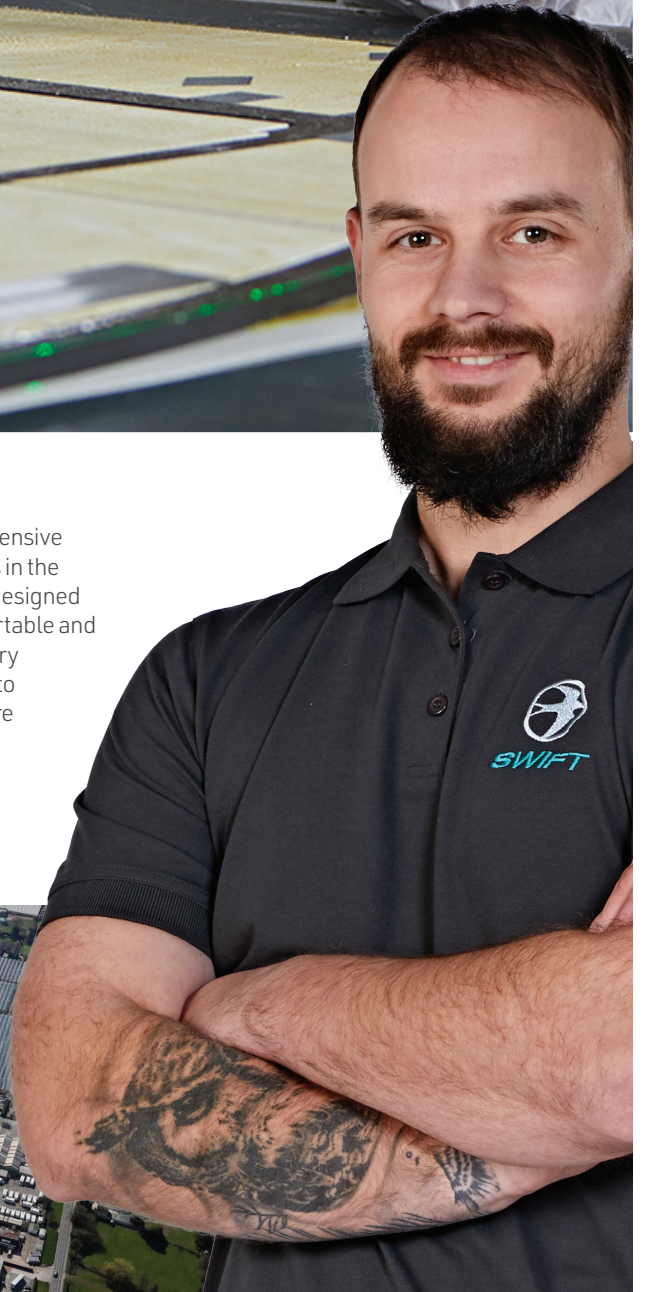

Built  
with love

From the first drawing right through to the moment you take the keys, each Swift leisure vehicle is built with love.

Every stage of the manufacturing process is completed with the greatest care and attention to detail, with the knowledge, experience and heart of generations of craftsmanship showing in all components. This, coupled with state-of-the-art technologies, allows Swift to deliver the highest standards of construction.

We undertake one of the most extensive research and testing programmes in the industry, and deploy innovations designed to help make your holidays comfortable and hassle-free. From our revolutionary SMART and SMART 3 technology to hardwearing interiors, Swift leisure vehicles are built to last.
